Refresh™ BOTANICALS

Relieve, Restore & Revitalize
With the Life-force of Plants - For the Life of Your Skin.

Canadian-Made, Natural & Organic Facial Care
For all Skin Types & Tones

SIZE: 150 ml

FOAMING FACIAL CLEANSER:

Naturally foam away unwanted residue and impurities from the face without dehydrating. Gently cleanses, soothes and revitalizes the skin.

BOTANICAL KEY INGREDIENTS:

- **Cucumber Extract:** Cools & soothes the skin, high in antioxidants & Vitamin C. Provides a healthy glow to skin.
- **Cornflower Water:** Calming & soothing, perfect for sensitive skin & eyes.
- **Coconut Oil:** Hydrates & controls the skin's pH balance. Rich in Vitamin E which reduces the appearance of acne scarring.
- **Sodium Cocoyl Glutamate:** A mild, non-irritating, all natural, plant-based cleansing agent.

HOW TO ENJOY:

With Water: Massage lightly with fingertips to create cleansing foam. Rinse face with water.

Without Water: Massage lightly with fingertips to lift unwanted residue. With a cotton pad, gently wipe away product.

FOR SENSITIVE SKIN:

- Relieves sensitivities caused by **rosacea, eczema, psoriasis & acne.**

FORMULATED WITHOUT:

- Parabens
- Gluten
- Petroleum By-Products
- Animal By-Products
- Color-dyes
- Sulfates
- Phthalates
- Artificial Fragrances
- Animal testing

Made in Canada

Canadian-Made, Natural & Organic Facial Care
For all Skin Types & Tones

SIZE: 100 ml

DAILY FACIAL MOISTURIZER

Hydrates, soothes and protects without oiliness, plus controls sebum production for healthy looking skin.

BOTANICAL KEY INGREDIENTS:

- **Cucumber Extract:** Cools & soothes the skin, high in antioxidants & Vitamin C. Provides a healthy glow to skin.
- **Cornflower Water:** Calming & soothing, perfect for sensitive skin & eyes.
- **Sweet Almond, Jojoba & Coconut Oils:** Hydrates while controlling sebum production without the oily appearance.
- **Jojoba Oil:** Contains natural human sebum mimicking properties that lessen excess oil production.
- **Watermelon Fruit Extract:** Improves the skin's texture by mild non-abrasive exfoliation.

HOW TO ENJOY:

Smooth evenly and gently over face and neck in an upward motion until absorbed. Best used after cleansing and toning the face.

FOR SENSITIVE SKIN:

- Relieves sensitivities caused by **rosacea, eczema, psoriasis & acne.**

FORMULATED WITHOUT:

- Parabens
- Gluten
- Petroleum By-Products
- Animal By-Products

Refresh™ BOTANICALS

Relieve, Restore & Revitalize
With the Life-force of Plants - For the Life of Your Skin.

Canadian-Made, Natural & Organic Facial Care
For all Skin Types & Tones

SIZE: 200 ml

FACIAL TONER

Brightens, balances and exfoliates the skin. Without tightness or drying, the skin is left feeling clean and prepared to be moisturized. The appearance of enlarged pores becomes minimized and skin's pH is balanced naturally.

BOTANICAL KEY INGREDIENTS:

- **Cucumber Extract:** Cools & soothes the skin, high in antioxidants & Vitamin C. Provides a healthy glow to skin.
- **Cornflower Water:** Calming & soothing, perfect for sensitive skin & eyes.
- **Watermelon Fruit Extract:** Improves the skin's texture by mild non-abrasive exfoliation.
- **Lentil Fruit Extract:** Controls & combats oily areas of the skin without dehydrating dryer areas.
- **Honeysuckle Extract:** Calms distressed skin through anti-bacterial & anti-inflammatory properties.

HOW TO ENJOY:

To dispense product, press cotton pad down until damp. Gently wipe entire face and neck paying special attention to oily areas. Avoid contact with eyes and eye area. Let air-dry and follow with moisturizer.

FOR SENSITIVE SKIN:

- Relieves sensitivities caused by **rosacea, eczema, psoriasis & acne.**

FORMULATED WITHOUT:

- Parabens
- Gluten
- Petroleum By-Products
- Animal By-Products
- Color-dyes

INGREDIENT GLOSSARY

PROPRIETARY BLEND:

Cucumber Extract:

- High in Antioxidants & Vitamin C
- Eliminates lack-luster skin while soothing & cooling
- Calms even the most distressed skin suffering from rosacea & acne breakouts

Cornflower Water:

- Conditions & improves skin texture
- Calms & soothes

BOTANICAL FRUITS & EXTRACTS

Algae Extract: Improves visible signs of aging from: wrinkles, age spots, sun spots & acne scarring. Normalizes the skin's elasticity naturally from water binding properties.

Apple Fruit Extract: Alpha-Hydroxyl Acids & Vitamin C rejuvenates the skin, and eliminates the appearance of mature acne & scarring.

Black Tea Ferment: An advanced antioxidant that helps to defend against damaging free radicals while softening and enhancing luster of the skin.

Fig Fruit Extract: Rich in Vitamin A & Beta-carotene; improves skin's moisturization & texture.

Honeysuckle Flower Extract: Natural anti-inflammatory, anti-bacterial & calming properties. Soothes skin irritations while preventing acne & mature acne breakouts.

Lentil Fruit Extract: Reduces excess sebum production & acne flare-ups by balancing the skin's pH.

Olive Leaf Extract: Rich in antioxidants & functions as 'free-radical' quenching properties while protecting from smoke, ozone & UV rays.

Watermelon Fruit Extract: Protects skin from daily environmental stresses. Rich in Vitamin C & antioxidants. Perfect for skin conditioning & offers a mild, nonabrasive exfoliation.

INGREDIENT GLOSSARY cont.

BOTANICAL OILS

Coconut Oil: Natural fats help retain skin's moisture. Rich in Vitamin E & protein to rejuvenate skin & improve appearance of scarring, age spots, fine lines & wrinkles.

Grape Seed Oil: Absorbs into skin well with high levels of Antioxidants to slow the aging process. Aids in collagen restoration & hydration of skin.

Jojoba Oil: Highly conditioning & softening, this oil is the closest in mimicking human sebum. Great for sensitive skin & is naturally hypoallergenic.

Sweet Almond Oil: Nature's anti-inflammatory oil that is rich in Vitamins such as B1, B6, B2, A& E. Easily absorbs into skin & aids in prevention of premature aging, scarring, psoriasis, dermatitis, eczema & sunburn.

OTHER

Citric Acid: A preservative and a pH adjuster derived from vegetable oils.

Cetyl Alcohol: A fatty alcohol which adds body & viscosity to creams/lotions. Improving texture & feel with its velvety texture. Increases absorption & retention in the epidermis and softens the skin.

Sodium Cocoyl Glutamate: A cleansing agent derived from Coconut Oil.

Sodium Lactate: Retextures skin's surface & stimulates cell renewal/cell turnover. An Alpha Hydroxyl-Acid, which prevents the thickening of the skin by inducing exfoliation. Helps control melanin synthesis, hydrates skin and stimulates cell turnover.

Sodium PCA: A natural mineral salt that promotes retention of moisture in the skin.

Titanium Dioxide: A natural material that functions as a physical sunscreen, protecting the skin from both UVA and UVB rays.

Tocopherol/Tocopheryl: An antioxidant; non-derivative form of Vitamin E.

Xanthan Gum: Used as a thickener, emulsifier and stabilizer.

CLAIMS

NO to Parabens

Parabens are chemical compounds that are used as preservatives in many household items and are simply unnatural. Refresh Botanicals™ primarily uses citric acid & an airless-pump bottle technology to preserve the product's efficacy.

NO to Unnatural Alcohols

Unnatural alcohols are often too potent to be used in facial products and can dry out skin. Dry skin causes the skin to form cracks allowing dirt and bacteria to enter the skin. The skin also produces excess sebum naturally because it processes the skin to be dry. This results in acne breakouts and clogged pores.

NO to Unnatural Oils

Unnatural oils do not hydrate the skin but cause the upper layer of the skin to become oily. These oils do not penetrate into the skin causing a false feeling of hydration and end up clogging the pores causing acne breakouts.

NO to Artificial Fragrances

Skin & eye sensitivities result from unnatural or strong fragrances. Refresh Botanicals™ has a very mild Cucumber scent that is derived from natural Cucumber Extracts which dissipates quite quickly.
